For over 46 years, the state's leading judges, lawyers, and other professionals have graciously volunteered to participate in the Institute's programs and publications. This ongoing commitment to enhancing the profession enables us to offer one of the most comprehensive, least costly CLE programs in the country.

In appreciation for your service to the bench and bar, you will be receiving an invitation to join other speakers, authors, and distinguished guests at our annual "Excellence in CLE" Awards Reception which is currently scheduled to take place on June 1, 2009. The reception serves as a unique opportunity for the Institute to express its gratitude to all of those who help to support our educational mission. At that time, the Alfred C. Clapp Award for Excellence in Continuing Legal Education, as well as various Distinguished Service Awards, will also be presented. It is truly a memorable and enjoyable evening that you will not want to miss.

Again, thank you for your support of ICLE's educational mission. Whenever any of us on the staff can be of assistance to you in any way, please do not hesitate to call.

Sincerely yours,

Lawrence M. Maron, Esq.
